The net cost of sub-head of works at the contract rates will not vary by more than 50% on account of deviations in quantities but an individual item within above limit may vary up to 100%. When the variations are within the above limits, the contract rates will apply. Deviation or variations beyond these limits shall be brought to the notice of owner by the contractor a month earlier to execution stage and to proceed to execute the deviation quantities on getting owner's approval and the rate allowable would be worked out on the basis of market rates of materials and labour (rates as per the notification of Delhi Govt. labour Deptt.) plus fifteen percent for Contractor's profit & overheads. For the operation of this clause, sub-heads will be strictly as indicated in the Schedule of Quantities.

The priorities of working out the rates would be as under:

i) If the rates for the additional, altered or substituted work are specified in the contract for the work, the contractor is bound to carry out the additional, altered or substituted work at the same rates as are specified in the contract for the work.

ii) The rates will be derived from the rates for a similar class of work as are available in the contract to the extent the same is relevant to its part and for components beyond it at market rates of materials and labour (as per minimum wages of Govt. of NCT, Delhi). Books of analysis of rates, schedule of rates of CPWD will be referred to identify the components or parts of similar class of work.

iii) In case of other items where no components is directly derivable from schedule of rates, market rates of material and labour (minimum wages of Govt of NCT Delhi, labour deptt ) as ascertained by the owner / CPWD analysis of rates shall be taken as the basis allowing only 15% margin for contractor's profit, supervision and overheads. The contractor will submit a rate analysis based on the market rates, original bill, vouchers etc. in connection with determination of such rates. Value of all variations will be intimated to the owner / Engineer-in-Charge in writing 7 days ahead of likely date of execution to obtain owner's consent in principle to execute the item. The opinion of the owner as to current market rates of materials and the quantum of labour involved per unit of measurement will be final and binding on the contractor.

## **24. ARBITRATION:**

Except where otherwise provided in contract all questions and disputes arising out of or relating to the contract, design, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after completion or abandonment thereof shall be referred to the sole Arbitration of the person appointed by the Managing Director, NCDC. There will be no objection to any such appointment that the Arbitrator so appointed is an owner's representative that he had to deal with the matter to which the contract relates and that in the course of his duties as owner's representative he had expressed views on all or any of the matter in dispute or difference. Subject to as aforesaid the provisions of the Arbitration and Conciliation Act, 1996 or any statutory

modifications or re-enactment thereof and the rules made there under and for the time being in force shall apply to the Arbitration proceedings under this clause. It is also a term of the contract that the party invoking Arbitration shall specify the dispute to be referred to Arbitration under this clause together with the amount or amounts claimed in respect of each such dispute. The award of the Arbitrator shall be final and binding on both the parties. The venue of Arbitration shall be Delhi and only Delhi Court will have jurisdiction in the matter. The fees, if any, of the Arbitrator shall be required to be paid before the award is made and published and will be paid equally by the parties. The costs of the reference and of the award including the fees, if any, of the Arbitrator shall be at the discretion of the Arbitrator.

**25. Execution of Agreement by successful bidder:**

In consideration of the amounts to be paid at the agreed rates, at the time and in the manner set and subject to the conditions mentioned herein below the contractor shall execute and complete the work shown in accordance with the drawings, description of items and technical specifications mentioned thereof. The successful bidder shall have to execute an agreement incorporating terms, conditions and schedule of quantities given in the Bid within fourteen days of issue of letter by the owner communicating acceptance of his bid. In the event of failure on the part of the successful bidder to sign the agreement within the above stipulated period, the earnest money will be forfeited and the acceptance of bid shall be considered as cancelled. The agreement will be on format as per Tender Document and will be on a stamp paper of Rs.100/- or as per the legal requirement of the contract in New Delhi.
