NCDC may, without prejudice to its rights against the firm for breach of any of the terms and conditions or unsatisfactory performance of the contract, terminate the contract by giving fifteen (15) days' notice in writing. NCDC shall also reserve the right to terminate the contract at any time during the currency of the contract, without assigning any reason thereof, and such decision of NCDC shall be final and binding on the firm.

16. MOBILISATION & ADVANCE AGAINST MATERIAL

No advance for mobilization or against material will be given to the firm.

17. ASSIGNMENT AND SUBLETTING

The said work shall be executed by the firm and the firm shall not directly or indirectly transfer, assign or underlet the contract or any part, share or interest therein nor, shall take a new partner, without written consent of the corporation. Non-compliance by the firm of this clause will mean default in performance of contract.

The Firm shall be solely and exclusively responsible for engaging or employing persons for the execution of work. All persons engaged by the firm shall be on Firm's payroll and paid by Firm. All disputes or differences between the Firm and his/their employees shall be settled by Firm.

NCDC has absolutely no liability whatsoever concerning the employees of the Firm. The Firm shall indemnify Owner against any loss or damage or liability arising out of or in the course of his/their employing persons or relation with his/their employees. The Firm shall make regular and full payment of wages and on any complaint by any employee of the Firm or his sub contractor regarding non-payment of wages, salaries or other dues, Owner reserves the right to make payments directly to such employees or sub- contractor of the Firm and recover the amount in full from the bills of the Firm and the firm shall not claim any compensation or reimbursement thereof.

The Firm shall comply with the Minimum Wages Act applicable to the area of work site with regard to payment of wages to his employees and also to employees of his sub contractor.

The Firm shall advise in writing or in such appropriate way to all of his employees and employees of sub-contractors and any other person engaged by him that their appointment/employment is not by NCDC but by the Firm and that their present appointment is only in connection with the construction contract with Owner and that therefore, such an employment/appointment would not enable or make them eligible for any employment/appointment with the NCDC either temporarily or/and permanent basis.

17.1 EXECUTION OF WORK DURING NIGHT & SUNDAY.

All the works shall be executed in strict conformity with the provisions of the contract documents and with such explanatory details, drawings, specifications and instructions as may be furnished from time to time to the Firm by the Engineer-in-Charge, whether mentioned in the Contract or not. The Firm shall be responsible for ensuring that works throughout are executed in the most proper and workman- like manner with the quality of material and workmanship in strict accordance with the specifications and to the entire satisfaction of the Engineer-in- Charge.

The completion of work may entail working in monsoon also. The firm must maintain the necessary work force as may be required during monsoon and plan to execute the job in such a way the entire project is completed within the contracted time schedule. No extra charges shall be payable for such work during monsoon. It shall be the responsibility of the firm to keep the construction work site free from water during and off the monsoon period at his own cost and expenses.

Subject to any provision to the contrary contained in the contract, none of the permanent work shall save as hereinafter provided, be carried on during the night or on Sundays (locally recognized as day of weekly rest) without permission in writing of the concerned local authority as well as NCDC except when the work is unavoidable or absolutely necessary for the saving life or property or for safety of the works in which case the firm shall immediately inform owner. If night work of temporary formations or preparations etc. is necessary to complete the work in time, Owner's prior permission shall be obtained in addition to that of the concerned/local authority. Night work and Sunday work shall not entitle the firm to any increase in rates. All work at night shall be carried out without unreasonable noise and disturbances/nuisance.
