PSUs, autonomous bodies and private organizations of repute.
5. The firm should have minimum annual turnover of Rs.10.00 lakh in each year during last three years i.e. for the years 2022-23, 2023-24, 2024-25 (Enclose copies of financial statements including turnover, profit & loss accounts of the firm duly signed by C.A.)
6. The bidder must be an authorized Vendor/Contractor of HCG Haryana City Gas Limited and shall submit a valid Authorization Letter issued by HCG Haryana City Gas Limited along with the bid.
7. The bidder should have successfully completed at least one similar PNG/CNG/Gas Pipeline Installation work during the last three years and documentary proof shall be enclosed.
8. The bidder shall possess valid GST Registration Number and PAN and copies of the same shall be submitted with the bid.
9. If the bidder deliberately furnishes incorrect or misleading information, LINAC reserves the right to reject the bid at any stage.
10. All corrections, overwriting or alterations in the tender document shall be duly authenticated by the authorized signatory of the bidder.
11. The quoted rates shall be inclusive of all materials, labour, transportation, loading/unloading, welding, testing, commissioning, taxes, duties, insurance and all incidental expenses required for successful completion of the work.
12. No escalation in rates shall be permitted during the currency of the contract.
13. The contractor shall visit the site and satisfy himself regarding site conditions before submission of the bid.

14. The work shall be executed strictly in accordance with the standards, specifications, safety guidelines and technical requirements prescribed by HCG Haryana City Gas Limited, PNGRB and other applicable statutory authorities.
15. All materials including MS Pipes, Valves, Gas Leak Detectors, Alarm Panel, Solenoid Valve, Cables, Fittings and Accessories shall be new, unused and conform to applicable BIS/ISI/PESO standards.
16. The contractor shall provide all necessary manpower, tools, tackles, testing equipment, welding machines and consumables required for execution of the work.
17. The entire work shall be completed within 30 days from the date of issue of Work Order.
18. The contractor shall deploy qualified technicians, welders and supervisors experienced in PNG/CNG/Gas Pipeline installation works.
19. The contractor shall take all safety precautions during execution of the work and shall comply with all applicable safety regulations.
20. The contractor shall provide all necessary Personal Protective Equipment (PPE), barricading, warning signs, fire extinguishers and safety arrangements at his own cost.
21. The contractor shall be solely responsible for the safety of his personnel and for any accident, injury, damage or loss arising during execution of the work.
22. Any damage caused to Academy property during execution of the work shall be made good by the contractor at his own cost.
23. The contractor shall arrange Third Party Inspection of the installed system and submit Inspection Report along with Material Test Certificates.
24. The contractor shall carry out complete pressure testing of the gas pipeline system including 72 Hours Pressure Holding Test and submit the test report before commissioning.
25. Gas Leak Detectors, Solenoid Valve, Alarm Panel and Hooter shall be supplied, installed, tested and commissioned as part of the contract.
26. The successful bidder/contractor shall obtain all necessary inspections, approvals, clearances and certifications required from HCG Haryana City Gas Limited for commissioning and release of PNG connection. No extra payment shall be admissible on this account.
27. After completion of installation work, the contractor shall submit Pressure Test Report, Third Party Inspection Report, Material Test Certificates, Commissioning Report and all other documents required by HCG Haryana City Gas Limited and LINAC.
28. The contractor shall ensure compliance with all technical, safety and operational requirements prescribed by HCG Haryana City Gas Limited for release, activation and continued operation of the PNG connection.
29. The contractor shall ensure that the installed PNG Gas Pipeline System complies fully with the requirements of HCG Haryana City Gas Limited for release and activation of PNG connection.
30. The contractor shall coordinate with HCG Haryana City Gas Limited for inspection, testing and commissioning, wherever required.

31. Upon completion of the work, the contractor shall submit Completion Report, Test Certificates, Inspection Reports and Commissioning Certificate.
32. No mobilization advance or advance against materials shall be paid.
33. Payment shall be released only after successful completion, testing, commissioning and certification of the work and after deduction of applicable statutory taxes.
34. In case of delay in completion of work beyond the stipulated period, a penalty @1% of contract value per week shall be imposed subject to a maximum of 10% of the contract value.
35. LINAC reserves the right to increase or decrease the quantity of pipeline and associated fittings up to 25% without any change in the quoted rates.
36. The contractor shall not assign, transfer or sublet the work, wholly or partly, without prior written approval of LINAC.
37. LINAC reserves the right to terminate the contract by giving seven days' notice in case of unsatisfactory performance, breach of contract conditions or failure to comply with safety requirements.
38. The contractor shall provide a Defect Liability Period/Warranty of 12 months from the date of successful commissioning and handing over of the system.
39. Any defects noticed during the Defect Liability Period shall be rectified by the contractor at his own cost without any additional financial implication to LINAC.
40. LINAC reserves the right to accept or reject any or all tenders without assigning any reason whatsoever.
41. Any dispute arising out of or in connection with this contract shall be subject to arbitration as per the Arbitration and Conciliation Act, 1996. The venue of arbitration shall be New Delhi and courts at Delhi shall have exclusive jurisdiction.

For and on behalf of LINAC
Director General

FORM OF TENDER/QUOTATION
(To be filled up by the Tenderers)

To,

The Director General,
Laxmanrao National Academy for Cooperative Research and Development,
Plot-89 Sector-18
Gurugram, Haryana- 122015

Dear sir,

Ref : Tender for Supply, Installation, Testing and Commissioning of PNG Gas Pipeline System along with Safety Equipment for Academy Canteen at LINAC, Gurugram
